thanks

1 Dear Andy,

Thank you for your help with a
very difficult situation.
It was very difficult to undertake
for me but your help & advice
did make a difference & I do not have the
headache - to me wealth is Health
everything else is secondary.
That's the only money conversation
I am sorry about your Mom.
You and your Mom have been
in my thoughts and prayers
since the 21st. I intend to
take some of my money to make
possible a few old age drops
for my wife & kids as well.
I think we take our health for
granted sometimes. Again
thank you for your help in
such an important time.
Best regards
Robert Ross
